## MCMS Honors Deceased Members

The Montgomery County Medical Society honors the memory of physician members who passed away in 2009. Your medical society honored each physician's memory with a donation to the Foundation of the Pennsylvania Medical Society.

Specifically, the funds will go to build the Montgomery County Scholarship Fund that is administered by the foundation. For many years, MCMS physicians have invested in the medical education of students from Montgomery County by donating to the fund. Much like the physicians you honor, the students desire to advance the practice of medicine and serve others in one of the world's noblest professions.

If you would like to continue this legacy of investing in medical student education, you can also contribute to the Montgomery County Medical Society Scholarship Fund in honor of a physician member or colleague. Checks should be made payable to *Foundation of the Pennsylvania Medical Society* with memo noted *MCMS Scholarship*.

### In Memoriam

MCMS Deceased Members

January 1, 2009– December 31, 2009

William A. Auritt MD

Allergy
